About Us

American Primary Healthcare LLC was established to answer the need to provide person-centered primary healthcare services in the state of Ohio. We are committed to providing high-quality healthcare services in the comforts and safety of your home.

As a community-based primary healthcare service agency, we are licensed by the Ohio Department of Developmental Disabilities (DODD) and the Ohio Department of Medicaid (ODM).

Our agency continually engages the community and has created connections, developed trust, and maintained a positive relationship with the community we serve.
